MARCH 6, 2017

The City Council of the City of Gulf Shores, Alabama met in a Council Work Session Meeting on Monday, March 6, 2017 at 4:00 p.m. with Mayor Craft presiding. The meeting was held at City Hall.

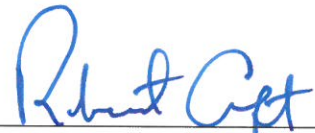

Upon roll call, the following members answered present: Councilman Joe Garris, Jr., Councilman Gary M. Sinak, Councilman Philip Harris, Councilman Jason Dyken, M.D., Councilman Stephen E. Jones and Mayor Craft. The meeting was called to order.

1. Councilman Discussion Period – Councilman Stephen E. Jones
No report at this time.

At this time, Mayor Craft called upon Gulf Shores Middle School Principal Kyle McCartney, Gulf Shores High School Assistant Principals, Joe Carpenter and Mark Glassford, along with Gulf Shores High School Band Director William Mixon for an update on our family at the school. The principals reported everyone was trying to get back to the new normal by taking time to heal, attending counseling services, wonderful community support and acts of kindness. All four gave a heartfelt thanks to the City and to those involved with last week's tragic accident. They stated they were really proud of the students and the way they were handling the trauma and recovery. Band Director William Mixon stated even though the band members would all be impacted forever, they had chosen to take this time as an opportunity for healing and love. All the students were working hard for something larger than themselves. They were very grateful for the care and compassion being shown to each and every one. BCBOE Representative Angie Swiger added that all the principals, the band director and teachers had done a phenomenal job taking care of the students. Lt. West with the FDGS had done a fantastic job training student first responders in the Academy classes and the leadership and support from the community was extraordinary. As noted, contributions can be made through the school website <http://www.bcbe.org/gsms> or the United Way.
